<h1>M.G.M's College of Engineering, Nanded.</h1>

</center>

<h3> MGM Institution have the privilege of the high caliber & long standing experience  of all our

trustees in the field of education and health services.</h3>

<p> Mahatma Gandhi mission,that started its journey in a modest way with a rural healthcare center

at Nila and a hospital in Nanded, has emerged as a 5000-member family with more than 50

educational institutions, health-care centers and social-welfare units functioning under its umbrella

at 5 centers i.e. Aurangabad, Nanded, Navi Mumbai, Noida and Parbhani. Spanning a period of 35

years, MGM establishments prove the deep faith of her management in the power of education that

leads the society towards prosperity of the Nation. Mahatma Gandhi Mission has endeavored

providing value-based education in all streams of knowledge like Engineering, Medicine, Dental,

Nursing, Management, Law, Mass Communication & Journalism, Library Science, Computer Science,

Biotechnology, Bioinformatics, Fine Art, Indian classical dance with state-of-the-art technology and

infrastructure. Many new disciplines have also been included in the chain of establishments

preserving the old. </p>

<h2>Computer Science & Engineering </h2>

</center>

<p>The Department of Computer Science and Engineering was established in 1984. The Department, since its inception, has maintained a steady growth in every sphere of its activities and played an important role in bringing a vibrant and forward-looking academic environment. Department is offering high quality undergraduate and postgraduate Engineering courses as well as providing an excellent infrastructure and facilities for state of the art technical education and research.

The Department has research centre of Swami Ramanand Teerth Marathwada University, Nanded & Dr. Babasaheb Ambedkar Technological University, Lonere for Ph.D. in CSE. The Department has received research grants of Rs. 59.99 Lakhs from different funding agencies such as BARC Mumbai, AICTE Delhi and AMUPMDC Mumbai.</p>

<p>The Department of Computer Science & Engineering strives for excellence in creating, applying, and imparting knowledge in Computer Science and Engineering through comprehensive educational programs, research in collaboration with industry and government, dissemination through scholarly publications, and service to professional societies, the community, the State, and the Nation.</p>

<center>

<h1 class="underline">Vision</h1>

<p class="highlight">To be one of the leading Departments for Computer Science & Engineering education, developing proficient Engineers with global acceptance in the service of mankind.

</p>

<h1 class="underline">Mission</h1>

<p class="highlight">Providing technical skills with strong fundamentals of Computer Science discipline with an emphasis on software development.

</p>

<p class="highlight">Inculcating analytical, programming and multidisciplinary skills to enhance employability.

Fostering problem-solving, team-building, and lifelong learning skills with societal, environmental and ethical sense.</p>

<p class="highlight">Developing researchers and entrepreneurs to solve real-life problems through industry interactions and collaborations.</p>
